SCHOOL CARE

Dear Parents and Friends:

I figured we could all use some good news right now: **Last year, we raised a record-breaking \$353,052 for Albany schools!**

Thanks to you and this small-but-mighty town, SchoolCARE has stood together for 19 years, helping Albany schools excel and making sure that our kids get the education they deserve.

Your donation has helped save or enhance crucial school positions like library techs, noontime programming staff, intervention professionals, counselors, and elective teachers. And this year, we're aiming for an even bigger goal.

Can you help us keep the momentum going with a year-end donation to SchoolCARE?

Your donation transforms our children into chess players and dancers, social workers and mathematicians. It inspires kids to be gardeners and readers, scientists and writers. When you give to SchoolCARE, you're giving locally but it doesn't just stay here in Albany—our kids will go on to change the world.

Please consider a year-end donation to SchoolCARE. Together we can keep the good news coming.

In gratitude,

Yael Bloom,
President, SchoolCARE Board of Directors

We suggest \$500 per student and every amount helps!

Here's how to donate:

				
100+ volunteers annually	650+ donors each year	98% of dollars raised directly support Albany schools	65 teachers and staff funded in the last 5 years	\$325,000+ fundraising goal for the next school year

ONLINE: albanyschoolcare.org

MAIL: Send a check to:
SchoolCARE, 1569 Solano
Avenue, #537, Albany, CA 94707

IN PERSON:

Drop off at any school office
